

Hearing Support Centre

Extra Curricular Activities

All students of the Alun School have access to the many and varied extra curricular activities offered both at lunchtimes and after school.

Support can be arranged for students in the HSC to participate in activities but, wherever possible, independence is encouraged.

Home School Partnership

Regular contact is maintained with parents / carers through the Homework Diary. Parents / carers are invited into school for parents' evenings and Annual Review meetings to discuss their child's progress.

Parents / carers are welcome to contact the teacher in charge of the HSC whenever they have any queries or concerns.
