

Alun School

June 2009

Dear Parents / Carers

I am writing to update you in preparation for the new academic year and I would be grateful if you would kindly return the attached reply slip to acknowledge receipt of this letter.

Overleaf is an updated list of school uniform items on which we have been able to hold or reduce all prices in comparison with last year. Please note that only school sweatshirts or V-neck sweaters are permitted, although in the autumn we will be consulting with the House Councils on the possibility of introducing the option of a girls' cardigan.

Once again may I remind you that footwear must be black and that any logos should be discreet. Unfortunately some students have had to replace their footwear after failing to adhere to these guidelines. A very wide range of black shoes and trainer shoes are available from shops and there should be no difficulty in purchasing footwear that complies with this requirement whilst also being practical. Please also note that brightly coloured laces or socks are not permitted.

Our school policy on mobile phones has always been to allow them in school provided that they are turned off during lessons. After a review we continue to believe that for the convenience of parents, and for security reasons, this remains the correct approach. However, may I remind you that responsibility for the security of mobile phones, mp3 players and other small high-value items lies with students, except during PE lessons when they are given the opportunity to leave them securely with teachers.

Finally, I am pleased to report that our charity work this year for Hope House has raised our target of £5,000. May I take the opportunity to thank everyone who has supported us either through purchasing raffle tickets last November or by supporting one of our other events.

Yours sincerely,

Mr. A. Jones – Headteacher
