Parents' Questionnaire : Summer 2009

As part of our continuing evaluation of the School's performance, we feel that it is important to ask parents for their views. We would be grateful, therefore, if you would take a few minutes to fill in and return this survey.

Please respond to each question by selecting the most suitable response, and then complete the information on the back that will allow us to analyse the results. If you have more than one child either complete it for one child only or complete separate forms (further copies are available on the website).

Please return the questionnaire via your Group Tutor. If you would like to return it anonymously then please seal your questionnaire in an envelope marked 'Parent Questionnaire' and return via the Main Office.

Thank you very much for your time.

Please consult with your daughter/son in order to give accurate feedback, and then respond to each question by ticking whichever of the boxes corresponds most closely to your answer.
