It is the responsibility of everyone involved in the school's examination processes to read, understand and implement this policy. The purpose is to ensure the planning and management of exams is conducted efficiently and in the best interest of candidates.

The Headteacher has responsibility for the school as a centre and is responsible for reporting all suspicions or actual incidents of malpractice. The Examinations Team, including the Examinations Officer, manage the administration of all public and internal examinations. This includes following all guidance issued by examination boards, processing appeals and re-marks, integrating all examination arrangements into the smooth running of the school, and providing support to departments and candidates in meeting all requirements for examinations. It is the responsibility of all other staff to act in accordance with the guidance they receive.

The subjects offered for examination and qualifications can be found in the school prospectus, and external examinations are held according to exam board timetables. Candidates are selected for their exam entries by the head of department and the subject teacher. A candidate or parent/carer can request a change of level, subject to understanding potential consequences. Access arrangements and special consideration regulations and guidance are consistent with the Disability Discrimination Act and school policy. The Examinations Officer liaises with the ANCo regarding special arrangements.

Initial registration and entry exam fees are paid by the school. Late entry or amendment fees are paid by departments. The school will accept, and charge for, external entries from former candidates only. Candidates or departments will not be charged for changes of tier or withdrawals made by the proper procedures or alterations arising from administrative processes, provided these are made within the time allowed by the awarding bodies. Reimbursement will be sought from candidates who fail to sit an exam or meet the necessary coursework requirements. This fees reimbursement policy will be communicated in writing to candidates and parents/carers. Fees for re-taking any papers are paid by the candidate.

External invigilators are recruited for supervision of all externally assessed exams, and briefed and deployed by the Examinations Team. A lead invigilator will start all exam sessions in accordance with JCQ guidelines. Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. In practical exams, subject teachers may be on hand in case of any technical difficulties.

The school's behaviour and uniform requirements apply to all candidates. Personal belongings, including mobile phones, remain their own responsibility and the school accepts no liability for their loss or damage. Disruptive candidates are dealt with in accordance with JCQ guidelines. Candidates may only leave an exam room for a genuine purpose, in which case they are accompanied by an invigilator. The Examinations Team will attempt to contact any candidate who is not present at the start of an exam and deal with them in accordance with JCQ guidelines. Any special consideration claim regarding attendance or disrupted preparation must be supported by appropriate evidence.

Arrangements are made for the school to be open on results days for candidates to receive individual results slips. Enquiries and re-marks may be requested by the school or

candidate if there are reasonable grounds for believing there has been an error. However, candidates must pay the fee should the school not support the enquiry and the candidate insists on pursuing it. Departments may request return of papers for investigation or for teaching purposes, in which case the consent of candidates must be obtained. Candidates may also request the return of papers. Certificates are supplied to the school by exam boards and must be collected by candidates and signed for. The school retains certificates on behalf of candidates for a period of at least six years after the date of issue.

The purpose of this exam policy is:

- to ensure the planning and management of exams is conducted efficiently and in the best interest of candidates
