One of the aims of the Freedom of Information Act 2000 is that public authorities, including all maintained schools, should be clear and proactive about the information that they will make public. To do this our publication scheme sets out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner. All information in our publication scheme is available either in printed form or to download and print off from our website. If the information is not available directly from the website, you can request a copy by writing to the above address, marking your correspondence 'Publications Scheme Request'.

Single copies of information covered by this publication scheme and information on the website are provided free of charge. If your request means that we have to do a lot of printing, pay a large postage charge, or is for a priced item such as some printed publications or videos, we will let you know the cost before fulfilling your request. Copies are charged at 20p per sheet.

This publication scheme guides you to information that we currently publish or which we will publish in the future, split into categories of information known as 'classes'. Some information which we hold may not be made public, for example personal information. The classes of information that we undertake to make available are organised into four broad topic areas:

- *School Prospectus* - information published in the school prospectus
- *Governors' Documents* - information published in the Governors' Annual Report and other documents
- *Students & Curriculum* - information about policies that relate to students and the school curriculum
- *School Policies* - information about policies that relate to the school in general

We welcome any comments or suggestions you may have about this publication scheme. If you want to make any comments, or if you require further assistance or need to make a complaint, initially this should

be addressed to the Headteacher. If you are not satisfied with the assistance that you get, or if we have not been able to resolve your complaint and you feel that a formal complaint needs to be made, contact: *Information Commissioner's Office - Wales, Cambrian Buildings, Mount Stuart Square, Cardiff, CF10 5FL*
