

MOBILE PHONE PROTOCOL

Mobile phones can disrupt learning.
Students who wish to bring a mobile phone
to school must abide by the following rules:

Mobile phones are not allowed to be used on school premises at any time by students in years 7-11.

- Students who need a mobile phone for the journey to and from school must hand their phone into the school office for the day or turn it off and store in their bag all day. Phones must not be stored in pockets.
- Students failing to follow these rules will have their phone confiscated and taken to the school office for collection by parents/carers.
- If students are using earbuds or smartwatches during the school day, they will be confiscated along with the phone.
