

Why Choose Cymraeg?

Welsh enables you to develop a lifelong appreciation for the Welsh language and will help you to become one of the million Welsh speakers that the Welsh Assembly Government has targeted by 2050. Our course will require you to read, understand, comment on and analyse Welsh poetry, short stories, plays and film through conversation, class discussion and written exercises. It will enable you to build and expand on your knowledge gained at GCSE by developing your grammatical and spoken skills and will allow you to take Welsh outside of the classroom and into your daily life.

Choose Welsh as an option and you will have the opportunity to develop your analytical and critical thinking skills which are essential within any workplace. Welsh also offers you a huge variety of enrichment activities including the Glan Llyn Conference, theatre and field trips.
