

# Why Choose English Language?

**English Language** focuses on developing your creative writing skills, exploring language in contemporary use and on language issues such as language and power. In addition, you will explore language over time and the relationship between language and identity. The course provides a generous proportion of time to develop your writing skills and you will receive detailed written advice on your work as well as informal face-to-face feedback.

Studying English Language will provide you with a rewarding opportunity as well as a challenging programme that promotes individualised learning. We will encourage you to develop your personal strengths and give you the tools to become critical readers and writers. English Language results at Alun School are consistently outstanding.

**At Alun School,**  
our experienced teaching team provide expert  
guidance and tuition in 5 weekly lessons.

# English Language
