

Why Choose Business?

Business gives you the opportunity to learn about the many areas of business and how these are applied in real-life situations. You will be able to study how small, national and international businesses are operated and explore the basics of starting up a new business venture. You will also gain a good understanding of enterprise, human resources, marketing and finance.

Choose Business as an option and you will have the chance to develop business skills in a vocational context that you can apply to any career.

At Alun School, our experienced teaching team provide expert guidance and tuition in 5 weekly lessons.
