Dear Students and Parents,

Information Evening – University Applications : Monday 14th September

It is my pleasure to invite you to an evening designed to give guidance as to the processes involved in applying for university entrance in 2009. It will be held at 7.00pm on Monday 14th September in the Daniel Owen Hall. Although students have already received some preliminary information, the evening is suitable for both students and parents and would help focus thinking and generate discussion. We anticipate that the formal inputs will last for about an hour, leaving time afterwards for questions.

As you will appreciate, the next few weeks are an extremely important time for those planning to follow the UCAS University Application procedure. Thus, part of the evening will be set aside to clarify the requirements and provide general guidance. As Coordinator for UCAS Applications, I will lead this section, and a range of staff will also be available to answer specific questions relating to individual circumstances.

In the second half of the evening we will be looking at issues such as the financial implications for families with students entering Higher Education, and preparing for the first few months at university from the point of view of both students and parents.

In order for us to plan the evening successfully, I would be grateful if you could return the reply slip below to the Group Tutor.

Yours sincerely,

Dr T Erasmus – Head of Sixth Form
