Proposed change to school session times

Dear Parent, Carer,

The governing body is proposing to make a change to school session times with effect from 1st September 2021. The change is based on systems trialled during the past year which have improved the smooth and efficient running of the school resulting in enhanced learning. The new school session times will be 08:50 to 15:00.

The total lesson time for students will be unchanged and is in accordance with the Welsh Government guidance for the length of school sessions.

School transport will be informed of the change to school session times and the school library will remain available for students to work if they need to wait for a service bus.

There will be an online meeting on Monday 10th May at 3:30 pm when parents and staff are invited to discuss the proposal. Please contact the school office to request a link to the online meeting.

If parents and staff wish to submit written comments please email comments to school@alun.flintshire.sch.uk.

Yours sincerely,

Jane Cooper- headteacher

Charity of the Year 2020/21
